

Book Bags

Starting this Friday, your child will be bringing home a Ziploc bag containing two things: a guided reading book and log sheet.

Please listen to your child read this book at least three times over the next week and log it on the golden sheet.

Send the book bag back the following Friday and your child will receive a new one!

This activity will help your child build reading fluency and confidence in their ability to read.

If you have any questions, please e-mail me at akrueger@cambria-frieslandschools.org or call at 920-348-5135 ext. 235.

Thanks,

Miss Krueger
