

Miss Krueger's Kindergarten Class

March 27th, 2015

Reading: This week we made "oo" glasses and wrote words that had these letters on them. The kids loved using their eagle eye to find "oo" words in a word search too! The students heard about a clever turtle and one leopard that wanted to know how many spots he had. The class has done a wonderful job actively listening to these stories and answering questions about the text.

Writing: The class continued to work on their how to book pages. They voted that they needed a break from illustrating and writing their book, so they journaled on Thursday. We will continue to work on our how to books when we return from break.

Math: We reviewed our position words in relation to where shapes were in pictures. The students also liked to use shapes to create objects and pictures. They have been doing very well with composing shapes and finding shapes in objects. We took the test today before break.

Science: We wrapped up our FOSS Fabrics unit this week. We took a look at what happens when we get stains in our clothes and how soap helps to wash it out of fabrics. We took a short trip outside to stain our muslin cloth with dirt. We also added markers and jam. Today, we talked about the color of fabrics. We went ahead and dyed fabric using food coloring.

Jump Rope for Heart:

Information went home on Tuesday regarding this fundraiser! Please consider raising some money for this great cause.

Here are some of the school incentives for raising money:

- For every \$100 - 1 pie in Mr. Buechel's Face
- Class with the most money raised - Silly String their teacher!!!

Homework Packets:

Students had the option to take their packets home over break if they wanted to. Do not feel pressured to do any of the activities over break. Rest up and get energized for our last quarter!

Upcoming Dates:

March 30 – April 3rd: Spring Break

April 8th: NO SCHOOL FOR
KINDERGARTEN

April 9th/10th: Jump Rope for Heart
