

# Miss Krueger's Kindergarten Class

October 3rd, 2014

**Reading:** Our big book this week, Barnyard Song, fit in perfectly with our theme – farm! We learned what sounds animals used to make a beautiful song. For Daily 5, we started Word Work. The children love this because we get to use dice, stamps, and magnets to form words. We spent a great deal of time working with the letter li and word “and”. Next week, we will be focusing on the letter Pp and “is”.

**Writing:** We continued stretching out our words this week. The students have been working very hard at sounding out the word and writing down what they hear! The alphabet chart has been a useful tool for many of them.

**Math:** This was the first week we have been using ten-frames. The students have taken to this very quick. We also worked on writing numbers 6 – 8. I have corrected the Chapter 1 math tests from Friday and will discuss the results with you at Parent-Teacher conferences.

**Farm:** We started out by reading Barnyard Song and listing what kind of animals live on farms. We also made a chart on what farmers do. Each student received a “My Farm Book” and has been filling out diagrams and information about different animals. We worked on cows, pigs, and sheep this week. We will finish up next week with roosters and horses.
