

# Miss Krueger's Kindergarten Class

September 19, 2014

**Reading:** We now have two rotations for Daily 5 (Read to Self and Listen to Reading). The students loved listening to reading on the iPads, computers, and CD Player. Next week, we will learn about Read to Someone. We focused on the letter Aa and sight word my. We once again had some fun songs to help us along the way!

**Writing:** We are still working on making our illustrations with as much detail as possible. I challenged them to think of different topics to color and write about. We also started to use some sight words that we have learned in our writing.

**Math:** This week we learned about comparing numbers 0 – 5. They have been using the terms “equal to”, “greater than”, and “less than”. Many have caught on very quickly to this concept. Next week, we will be working on problem solving and having a test on Thursday.

**Science:** We focused a lot on apples this week because of our field trip. We taste tested some applesauce during snack. On Thursday, we filled out a diagram for parts of an apple. We will continue discussing trees next week.

**Homework:** There will not be many math homework sheets coming home because we do most of them in class. If you want, please work with the students on the September Homework packet sent home earlier in the week.

## Field Trip to Lapacek's Apple

**Orchard:** In preparation for the field trip, we completed a pictograph on which color apple was our favorite. We made a bar graph and compared the numbers. This was a great tie in for our math this week.

It was a beautiful day at the apple orchard! I will be putting up pictures on the website as soon as the website is complete.

## Parent-Teacher Conferences:

Conferences will take place from 4-8pm on Thursday, October 9th. During this time, students may get picture retakes if needed.

**Early Release on Thursday the  
25th at 1 pm!**

## Upcoming Dates:

September 25 - Early Release at 1 pm  
October 8 – Early Release at 1 pm  
October 8 – Picture Retakes  
October 24 – No School

## Weather:

Please be sure to check the weather and send your child to school with a sweatshirt or jacket for recess. The cold weather is right around the corner!

## Theme for Next Week:

- Fall
- Letter Tt
- Word: That

## Scholastic Book Orders:

Scholastic Book Orders were sent home last week. The orders are due by Friday, September 26<sup>th</sup>.
