# Miss Krueger's
Kindergarten Class
September 5th, 2014

We completed our first week of kindergarten! The students have been very busy learning the schedule and routines in the classroom. It's been quite an adjustment from half-day 4K to full-day kindergarten. Next week, we'll be starting our reading and writer's workshop, so be sure to ask the student's what they've learned each day!

I am sending home a copy of the kindergarten report card and rubric. This is just a resource for you to know what we will be looking for each quarter. Of something doesn't make sense, please don't hesitate to contact me.

I've also sent home a "calculator" with your child's lunch number written on it. A lot of time is spent learning their lunch number, so any practice they can get at home is greatly appreciated!

You will find a monthly calendar in your child's folder as well. This calendar is to show what color he/she ended up on during the day. I split the day into two parts, so your child will mark what color they were on before lunch and at the end of the day. If they can make it through the month with less than 4 yellows, they will be able to eat lunch in the classroom with me!

Lapacek's Apple Orchard Trip:
The kindergarten classes will be learning about apples and apple orchards in the upcoming weeks. We are going to travel to Poynette to visit Lapacek's Apple Orchard. There we will pick apples, walk through the sunflower field, and learn about raspberries. The students will have lunch at school, leave for the orchard at 12:15, and be back close to 3. At this time, we are not in need of parent chaperones. There will be other chaperoning opportunities throughout the school year. The permission slip will be sent home shortly.
