

Valentine's Day

- ❑ We have changed the family project for this month!!!
- ❑ We are having a Valentine's Day Party with Ms. Quick's class on Friday, February 13th. We are asking that you and your child create a Valentine's Day box, so they have something to receive Valentines in. Please make sure that your child's name is clearly visible on the top near the hole you create.
- ❑ Your child's Valentine's Day box can be brought to school any time before Friday the 13th.
- ❑ Attached you will find both class lists.
- ❑ If you have any questions, please let me know!
- ❑ Have fun creating the Valentine's Day boxes!!!
